PSI aspirants sweat it out at CAR Grounds

500 candidates to undergo physical endurance test daily till Aug. 2; COVID safety precaution in place

Mysuru, July 29 (RK&SSV)- Physical test for the selection of Police Sub-Inspector (PSI) aspirants has been going on at City Armed Reserve (CAR) Grounds at the foot of Chamundi Hill in city since yesterday.

As many as 500 PSI aspirants are undergoing the physical endurance test every day and it will be held up to Aug. 2. For the aspirants of other districts in the range — Mandya, Chamarajanagar and Kodagu — it will take place between Aug. 3 and 9, said City Police Commissioner Dr. Chandragupta.

He said, the Government of Karnataka had recently issued notification for the recruitment of PSIs and fixed the dates for physical test. It was simultaneously going on in all districts across the State since yesterday.

The entire selection process was going on under the guidance of Inspector General of Police (IGP) and Deputy Inspector General of Police (DIG) - Recruitment. In Mysuru, CAR DCP Shivaraj and Karnataka State Reserve Police (KSRP) Commandant Nagaraju are personally supervising physical test.

Safety protocol

Dr. Chandragupta said, Standard Operating Procedure (SOP) prescribed by the State Government is followed in the ongoing selection process. The staff are wearing PPE suits while taking the measurement of height, weight and chest of every candidate as a precaution.

The candidates are made to sit in the safe distance and crowding is not allowed in the Grounds. Only 500 candidates are allowed to take part in physical endurance tests like running, high jump, long jump and obstacle clearance. Those who clear the physical test will qualify for written examination, he added.

Ambaari first city tour on Aug. 1 at 8.30 am

- Two-hour journey to cover 35 places; tickets priced at Rs. 250 per person
- Tickets can be bought at KSTDC Office on JLB Road or booked online

Mysuru, July 29 (RK&BCT)- The Karnataka State Tourism Development Corporation (KSTDC) is making preparations to launch the Ambaari specially-built open-roof bus tours in Mysuru from Aug. 1.

The much-hyped and the much-delayed project will be launched now as the COVID-19 cases have come down and also as tourists are flocking places of interest. The KSTDC wants to cash-in on the tourist footfall to Mysuru and surrounding areas to boost revenue.

Tourists can buy tickets at the KSTDC Office (Hotel Mayura Hoysala) on JLB Road and there is an online facility too to book tickets. The ticket has been priced at Rs. 250 per person. The project has been delayed inordinately and the KSTDC had plans to launch it last Dasara but could not do so due to the pandemic.

Route inspections held

To identify potential obstacles for the movement of Ambaari open roof top double-decker bus, like dangling electricity and cable wires, tree branches and arches, two route inspections have been conducted — first on Jan. 5, 2021 and 2nd on Jan. 16.

Top Cop forms teams to crack crimes in city

3 separate teams for three Sub-divisions; To work in parallel with City Crime Branch

Mysuru, July 29 (RK&SSV)- City Top Cop has come up with a novel idea of forming separate crime detection teams in three Sub-divisions exclusively to deal with prevention and detection of crime in city limits.

Sharing this with *SOM* this morning, City Police Commissioner Dr. Chandragupta said the teams will work in parallel with City Crime Branch (CCB) sleuths. This is being done for the first time in Mysuru to put brakes on the growing crime. Decision to constitute three teams for three Sub-divisions — Krishnaraja (KR), Devaraja and Narasimharaja (NR) — was taken at a meeting held here yesterday.

The Cops, who are expert in cracking the most difficult and challenging crimes, will be part

Dr. Chandragupta

of the crime detection team. At least two to three Police personnel will be picked up from each Police Station in three Sub-divisions and included in the team.

While KR Sub-division Crime Detection team will be headed by Assistant Commissioner of Police (ACP) Poornachandra Tejaswi, Devaraja team will be led by ACP Shashidhar and NR team by ACP M. Shivashankar. Each team will consist of ten Police personnel of various ranks, the Police Commissioner added.

BSY will act as 'Super CM' and control Bommai Govt: Anand Asnotikar

Eyes to make son B.Y. Vijayendra as CM in 2023

B.S. Yediyurappa Basavaraj Bommai Vijayendra Anand Asnotikar

Karwar, July 29 (SSV)- Chief Minister B.S. Yediyurappa has made Basavaraj Bommai as his successor only to ensure that his son B.Y. Vijayendra was made the CM after the 2023 Assembly polls, said former Minister Anand Asnotikar.

Talking to reporters here yesterday, he said in making Bommai as CM, Yediyurappa has gained control over the party. And by doing this, he will function as 'Super CM' and run the State.

Former Tourism Minister C.P. Yogeeshwar and MLA Basangouda Patil Yatnal made anti-Yediyurappa statements. Despite Yatnal shouting like a caged monkey nothing happened. If BJP is really a disciplined party then Yogeeshwar and Yatnal must not be inducted into the Cabinet, he added.

Terming Bommai's selection as the CM as a good choice, Asnotikar said this will help BJP in the coming days. Good days are expected ahead and dispensation of the incumbent Government will bring good prospects for Janata Dal (Secular). Former CM H.D. Kumaraswamy will play a major role in the formation of the next Government in the State, he added.

EDITOR'S BOTTOMLINE

B.S. YEDIYURAPPA'S 3 'EXIT INTERVIEWS': *At age 78, B.S. Yediyurappa (BSY) has managed, after all, to best the political combination that's often described as India's most-astute — that of the PM Modi and Amit Shah. The BSY exit plan was set in motion four months ago. Perhaps the 'Vaastu' that he applied to his name, altering its spelling when he took over as Chief Minister in July 2019 delivered the goods for BSY. BSY's central demand was that his two sons B.Y. Vijayendra (termed "super CM" by detractors) and B.Y. Raghavendra (now MP) be given big roles. To secure their claims in the BJP, BSY was adamant that his erstwhile deputy Basavaraj Bommai be made the new leader ahead of the next election scheduled for 2023. BSY had also directly requested PM Modi that his close political confidante Shobha Karandlaje be placed in the Union Cabinet, which was met positively last month. All this fits with the track record of BSY as a crafty politician.*

Perhaps the sweetest revenge of all for BSY is that he has made it clear that as the BJP gets ready for elections in Karnataka, he will not countenance his main rival, B.L. Santhosh, in the candidates' zone. Santhosh, who is from the RSS and currently serves as an immensely powerful General Secretary (Organisation) for the BJP, has been aspiring to far greater control in Karnataka. BSY dismisses him privately as a man without a political base. Santhosh is a Brahmin and lacks popular support but has been serially interfering in Karnataka affairs including the allocation of Rajya Sabha seats. The exit plan ends with BSY being benched — and yet establishing he's still very much in the game. — *Swati Chaturvedi in ndtv.com*

NEWS SPARKLERS

Students raise and name fish before eating them

Tokyo: The "Class of Life" is a controversial program introduced in various Japanese middle-schools where students spend months raising and getting attached to fish, before having to decide whether to eat them or not.

A part of the Sea and Japan Project sponsored by Nippon Foundation, the Class of Life was introduced in a number of schools across Japan in 2019 with the goal of teaching young students about the work that goes into land-based aquaculture, the challenges the activity involves, and last but not least, the importance of life.

To this end, students in classes 4th to 6th are entrusted with a number of small fish and tasked with raising them to maturity for at least six months and up to a year. The controversial aspect of the program is that at the end, the students need to decide the fate of the fish, whether to release or eat them...

Makeup artist turns herself into celebrities

Osaka: A talented makeup artist has been getting a lot of attention on social media for using her skills to turn into stars like Taylor Swift or Billie Eilish.

The artist posting under the @gilianisme TikTok handle, is posting short videos online. The end result, in most of the clips is suspiciously realistic, which makes one wonder if she is using some sort of digital manipulation to achieve this impressive result. No way to no for sure, really, but if she can pull this sort of transformations only with makeup, she is more of a sorceress than a makeup artist.

Looking through the impressive collection of videos, the Asian makeup artist seems capable to transform into a variety of characters, from a perfect Edward Scissorhands to Cate Blanchet, Monica Bellucci, or even Michael Jackson.

Poor marking of deviations on Mysuru-Bengaluru Highway

Sir,

I wish to bring to the notice of the authorities concerned about the poor marking of deviations on Mysuru-Bengaluru Highway. In the commencement stage, this 10-lane Highway work started with neatly-laid deviations with bright reflective stickers to caution the motorists.

But on my recent drive in the same route I observed poorly maintained deviations. The reflective stickers on this deviations has lost its brightness and its visibility to vehicle drivers which can be very horrible for people driving on this road.

I request the authorities concerned to take immediate action to avoid major hazardous accidents due to this ill maintenance.

Those interested can apply along with the required documents at Bannur Town Municipal Office before Aug. 12, according to a press release.

Eureka! Multi-crore worth land registered in 'dead' man's name

Mysuru, July 29 (RK&SSV)- A Right To Information (RTI) activist has unearthed efforts by land sharks to usurp a piece of land worth crores of rupees by getting the property registered as a Gift Deed in the name of a dead person by taking another person to the Sub-Registrar's Office in place of the dead person.

B.N. Nagendra, RTI activist

The reply to the RTI filed by B.N. Nagendra has revealed efforts by land sharks to take over 4-04 acres of land in Survey No. 244 in Kesare, Kasaba hobli in Mysuru taluk. In this background, Nagendra had collected the documents and filed objections with the Deputy Commissioner and Tahsildar. Besides, he has lodged a complaint at Narasimharaja (NR) Police Station. According to land records, this piece of land mentioned as 'Sarkari Kharab' has been purchased by Narasingarao of Krishnamurthypuram, Mysuru, in the Government auction. Later, it was sold to, A. Selvaraj, son of Amaldas. From 1970 to 2,000, the name has been mentioned as A. Cheluvaraju in Record of Rights, Tenancy and Crops (RTC). However, Cheluvaraju has died on August 28, 1986 at Jaamdal village in Holenarasipura taluk of Hassan district, according to death certificate issued by Holenarasipura Tahsildar in letter vide 3/1986.

His name has been mentioned in the RTC from 2001 to 2018, but the size of land has not been mentioned. Interestingly, in 2018, there was a mention in RTC that the dead person had submitted an application seeking measurement of the said property. This gave room for suspicion. Subsequently, the thumb impression of this person has been mentioned in all documents and this has been

certified by one A.S. Kiran. Even this had the signature and the mobile phone number of Rammanahalli Village Assistant, Siddaiah.

On Jan. 20, 2020, a Gift Deed pertaining to this piece of land was found in the Office of the Mysuru South Sub-Registrar in the name of Lakshmamma, wife of Krishnamurthy vide document MY.N-1-07222/2019-20. Siddalingapura Village Accountant S. Bhaskar, who noticed this Gift Deed filed report. Villagers of Siddalingapura have clarified that the RTC holder, A. Cheluvaraju, was not residing in their village and had died. In order to usurp this land, the land sharks have created a Gift Deed and changed the name as Amaldas in the Aadhaar Card and submitted the documents to the Sub-Registrar's Office, the Village Accountant has mentioned in his report.

Revenue Inspector Prashanth has also filed a report stating that A. Cheluvaraju has died long ago and there was no connection with the possessor of the Gift Deed and the original land holder. An enquiry has been held at office-level and action to be taken has been recommended against all those involved in this scam. Another interesting factor is that while the age of Cheluvaraju has been mentioned as 80 years, the age of his daughter, Lakshmamma, has been recorded as 60 years, which also gives rise to doubts. The incumbent Village Accountant S.L. Arjun Roy has mentioned that Cheluvaraju had paid a tax of Rs.1,300 in Nov. 12, 2029 and a receipt (No. 176128) has been raised.

In the original death certificate, Lakshmamma's father name has been mentioned as Jayaram. But in the Gift Deed it has been mentioned as A. Cheluvaraju. In the last, it has been mentioned that Lakshmamma has died in Bengaluru. Her death certificate (803162/B/D/2020/045752 dated 14-08-2020) has also been obtained. The death certificate has mentioned her permanent address as 39/9, 10th Cross, Cholara Palya, Bengaluru. Whereas the Gift Deed has the address, 1473/43, Krishnadevaraya Road, Pipeline, Vijayanagar.

Upon asking documents of this case, the Office of Tahsildar has given in writing that the documents are not available. This has given a feeling that the office staff have colluded with the land sharks and destroyed documents. *Prima facie* looks like a big scam which runs into crores of rupees. Both Police and Revenue authorities have begun independent enquiries to find out those who were behind this scam.

Meanwhile, Mysuru taluk Tahsildar K.R. Rakshith, speaking to *SOM*, said that a probe is being undertaken following the complaint by RTI activist B.N. Nagendra and added that a lot of doubts has arose, after going through the documents. The truth will come out only after the conclusion of the probe, he said.

Carcass of tiger found in Nagarahole

Hunsur, July 29 (Raghu&KS)- A carcass of a tiger, suspected to have died following a fight with another tiger, has been found in Nagarahole Tiger Reserve.

The dead tiger is aged between 7 and 8 years and the carcass was found at Hebbal border of Yelele Chowdamma Beat at Mathigod Range of Nagarahole Tiger Reserve and it is suspected that the tiger may have died about a week back.

Nagarahole Project Tiger Director D. Mahesh Kumar, Assistant Conservator of Forests (ACF) A.V. Satish and staff visited the spot.

Veterinarian Dr. Mujeeb Rehaman conducted post-mortem in the presence of National Tiger Conservation Authority (NTCA) Member Bose Mandanna and Coorg Wildlife Society Dilan Mandanna.

Anechowkur Range Forest Officer (RFO) Kiran Kumar and staff were present.

City wildlife conservationist rescues turtles from restaurant

Indian Pond Terrapin

Indian Flapshell Turtle

Mysuru, July 29 (KS)- City wildlife conservationist Ryan Satish, with the help of the Forest Department, has rescued two turtles from a restaurant and has released them into a lake.

On July 22, Ryan found two turtles (Indian Pond Terrapin and Indian Flapshell Turtle) which are protected species, at a restaurant in city. On enquiry, he came to know that these turtles were abandoned by unknown persons at a tank in the restaurant.

After reaching out to Deputy Conservator of Forests (DCF) Dr. K.C. Prashant Kumar, Ryan, along with Deputy Range Forest Officer (DRFO) Chandrasekhar, rescued the two turtles and released them in a nearby lake.

The owner of the restaurant, who understood the importance of these species, assisted in the release of the turtles.

These species are protected under the Indian Wildlife Protection Act 1972 and these turtles cannot be kept in captivity or as pets. Due to the support of the Forest Department, these turtles will be able to live in their natural habitat.

Members of the public, who come across these protected animals in captivity or injured, may inform about the same to the Forest Department.

COVID-19 SCARE

Bylakuppe Golden Temple to be closed till Nov. 11

To open only if virus caseload comes down drastically in Mysuru and Kushalnagar

Kushalnagar, July 29 (Akshay &BCT)- The Golden Temple at Bylakuppe will be closed for tourists till Nov. 11. On July 27, the Temple completed 500 days of closure due to COVID-19 and till now, not a single case of virus infection has been reported in the entire campus that houses over 3,000 monks and 1,700 civilians around the Monasteries. There are over 40,000 Tibetan residents in Bylakuppe.

Initially there were plans to open the various Monasteries and Temples including the famed Namdroling Monastery (Golden Temple) on Aug. 11. But now the camp authorities have decided to close the campus till Nov. 11 as the priority now is to get all the residents fully vaccinated.

While all people above 45 years have been vaccinated 100 percent, the 18-plus age group has to receive their second dose. The Monasteries and Temples were closed on March 14, 2020 and this has enabled the Tibetan Settlement to handle both the first and second COVID wave well compared to the rest of the State.

Bylakuppe is one of the must-visit tourist destinations in Mysuru-Kodagu and the Monasteries, Golden Temple and other imposing structures are always present in the tourist itinerary. But despite the closure, tourists come to Bylakuppe in hordes and they go back disappointed looking at the closed gates. Notices of closure have been pasted at all entrances of Bylakuppe.

All supplies sanitised

As part of the closure arrangements, a dedicated supply chain has been opened to bring in groceries and vegetables. All the essentials are sanitised and vegetables are washed before they reach the kitchen.

Ever since the COVID outbreak was reported, mass prayers have been banned and only a handful of monks indulge in prayers and follow the social distancing guidelines. Even VIP visits were barred.

Centre of learning

Speaking to *Star of Mysore*, Lopon Gyurme, General Secretary of Namdroling Monastery said that even the Nov. 11 date depends on the total number of people vaccinated. "Apart from the monks, there are nunneries, hostels, students and other vulnerable populations. Though the State Government has thrown open all the tourist spots, we cannot take the risk," he said.

"The Tibetan Settlement is a private property and this is a centre of learning where there are individuals from 10 to 90 years. One small mistake will ruin us and it will be a catastrophe," said Managing Trustee of Penor Rinpoche Charity Foundation Tulku Choedhar. "We will carefully assess the caseload in Mysuru and nearby Kushalnagar and open the Golden Temple and other Monasteries only if it is safe. As of now, there is a plan to open on Nov. 11," he added.

Columbia Asia Hospital conducts webinar on tackling COVID third wave

Mysuru, July 29 (KS)- Columbia Asia Hospitals, Mysuru in association with Delhi Public School (DPS), Mysuru, had recently organised a webinar titled 'Tackling COVID Third Wave' to safeguard children from the anticipated third wave. The virtual session was attended by about 124 parents, students and teachers.

The session was led by **Dr. Bhuvaneshwar, Consultant Paediatrician at Columbia Asia Hospitals**, where he threw light on how the anticipated COVID-19 third wave might affect children and the measures to mitigate the risks. Questions about identification of COVID symptoms in children and precautions to be taken to prevent it were also discussed.

Dr. Bhuvaneshwar said: "This pandemic has disrupted all our lives in the last 16 months. Though a few children got infected by COVID-19 in the first and second wave, most of them have exhibited mild to moderate symptoms or were asymptomatic. With the expected third wave, it is important to safeguard our children from the virus and it is our responsibility to take precautions."

Practicing COVID appropriate behaviour like maintaining social distancing, hand hygiene, wearing masks and avoiding mass gatherings unless very necessary were crucial, he said and added that vaccinating family members will also help in controlling the spread of infection. He encouraged children to follow a healthy diet to boost immunity.

Pointing out that the State Government has set up a Task Force to create additional paediatric wards and COVID Care Centres for children across the districts, Dr. Bhuvaneshwar said that the District Administration was already getting ready with number of beds, manpower and resources required as a precautionary measure to tackle the third wave.

"Going by the third wave cases in other countries, where more number of children got infected, we may require more hospital beds, manpower and medicines," Dr. Bhuvaneshwar added.

Delhi Public School Principal Namrata Sharma said the session helped in educating parents, teachers as well as students.

Tiger headcount highest in Bandipur, Nagarahole

- 2021 census begins; marked increase in Old Mysuru region
- 'Tiger Talk' held in Mysuru Zoo to mark World Tiger Day

WARM MOMENTS: ***As if to coincide with International Tiger Day, wildlife photographer and*** *Star of Mysore* ***reader Nabeel Mohammad Khan captured a pair of tigers in a cozy mood at Dammanakatte Range of Nagarahole Tiger Reserve near Kabini on Tuesday.***

Mysuru, July 29 (MTY&BCT)- If Madhya Pradesh has bagged the number one position in the now released extended report of the 2018 tiger headcount ('Status of Tigers, Co-predators and Prey in India') with 526 felines, Karnataka stands second with 524 big cats.

The lion's share in Karnataka has been taken by Bandipur Tiger Reserve with 173 tigers and Nagarahole Tiger Reserve with 164 felines. The 2018 census showed that there are 2,967 tigers in India.

The extended report of the 2018 tiger headcount that has been released now says there are 173 tigers in Bandipur and 164 in Nagarahole, a remarkable increase from the 2018 census that showed 127 tigers in Nagarahole and 126 in Bandipur. 446 big cats have been spotted in the Old Mysuru region while 363 big cats were tracked in 2018.

Incidentally, today is World Tiger Day and India has 70 percent of the world's tiger population spread across its 51 Tiger Reserves. The big cat census is conducted once in four years and the 2021 census has already begun at Nagarahole and later it will be conducted at Bandipur, the report of which is expected in the next two years.

It is estimated that the tiger population has increased in Bandipur and Nagarahole along with the tiger population in the other reserves in the Old Mysuru region like Biligiri Ranganathaswamy Tiger Reserve (BRT) and Male Mahadeshwara Hills Tiger Reserve.

In the extended report of the 2018 census, BRT has 86 tigers and the MM Hills Tiger Reserve has 23 big cats. In 2018, 55-65 felines were spotted at BRT while 23 big cats were spotted in 2018.

PM's message

As part of the International Tiger Day today, Prime Minister Narendra Modi reaffirmed the Government's commitment to ensuring conservation efforts, safe habitats for its tigers, and nurturing tiger-friendly ecosystems.

Greeting wildlife lovers on this day, Prime Minister Modi posted a series of tweets from his official handle on the microblogging website, where he highlighted how India has led tiger conservation efforts over the past years and achieved significant milestones in this area.

"On International Tiger Day, greetings to wildlife lovers, especially those who are passionate about tiger conservation," the Prime Minister wrote in a tweet. *"Home to over 70 percent of the tiger population globally, we reiterate our commitment to ensuring safe habitats for our tigers and nurturing tiger-friendly eco-systems."*

Tiger talk

This morning, the Sri Chamarajendra Zoological Gardens (Mysuru Zoo) celebrated Tiger Day with 'Tiger Talk'. Resource persons Dr. Saket Badola, Country Head TRAFFIC and Dr. Sanjay Gubbi, Senior Scientist, Nature Conservation Foundation and Holematthi Nature Foundation shared their experience about tiger conservation.

In their virtual presentations, the resource persons noted that India has made a marked comeback in its tiger conservation efforts, from nearing endangerment to now being home to 70 percent of the world's tiger population.

"We have come a long way from the hunting practices followed in the British Raj. Tiger conservation strategy is unique and the Forest Department and the National Tiger Conservation Authority attach special importance towards involving local communities in conservation efforts," they noted.

AICC Gen. Secy. coming to city

Randeep Singh

Mysuru, July 29 (RKB&KS)- In a bid to organise Congress Party, a meeting of Congress leaders of Mysuru, Chamarajanagar, Mandya, Kodagu and Hassan districts has been convened at Silent Shores Resort in city on July 31.

The meeting will be inaugurated by All India Congress Committee (AICC) General Secretary Randeep Singh Surjewala at 9.30 am, said Karnataka Pradesh Congress Committee (KPCC) Working President and former MP R. Dhruvanarayan.

Addressing a press meet at the Congress Office, near City Railway Station this morning, Dhruvanarayan said that Randeep Singh will be holding separate meetings with Congress leaders (Kodagu district-10.45 am; Hassan- 11.30 am; Mandya-12.15 pm; Chamarajanagar-1.30 pm; Mysuru Rural- 2.15 pm and Mysuru City- 3 pm).

Randeep Singh Surjewala will arrive in city by train at 7.10 am on Saturday.

KPCC President D.K. Shivakumar, Leader of the Opposition and former CM Siddharamaiah, Leader of the Opposition in Legislative Council S.R. Patil, KPCC Working President Ramalinga Reddy, senior leaders Salim Ahmed, Satish Jarkihole, Eshwar Khandre and others will be taking part in the meeting. MLAs, former MLAs, MPs, former MPs, candidates who had contested in MP elections and Party Presidents of the five districts will take part.

Ambaari first city tour on Aug. 1

(Continued from page 1)

The Ambaari is a Hop-on and Hop-off initiative based on the model of London's 'Big Bus Tours' taking tourists around the city in open-roof buses. The project worth Rs. 5 crore was announced for tourism destinations of Mysuru and Hampi in the 2019-2020 Budget.

Accordingly six buses have been refurbished, painted and readied. Mysuru presently has four and remaining two are in Hampi where the tours have not yet been scheduled. The four buses are at present parked in KSRTC Depot at Bannimantap.

Speaking to *Star of Mysore* this morning, KSTDC Regional Manager Uday Kumar said the service will begin in Mysuru from Aug. 1, at 8.30 am with the first trip. An online meeting was held in this regard yesterday where KSTDC Managing Director Vijay Sharma asked Mysuru KSTDC staff to launch the service.

AUDIO GUIDE

"There are plans to launch all four buses in four routes covering 35 destinations. We will take a call depending on the public response. All the trips will be planned as per COVID guidelines. We are gradually resuming tours and packages as per public response. The Ambaari tour will have a duration of two hours and to start with, we will run two buses," Uday Kumar said.

Tourists will get an audio guide the moment the bus reaches the particular tourist spot. The audio is currently available in two languages — Kannada and English. The 40-seater buses with lower and upper-decks were built in Bengaluru, he added.

The double-decker buses have a height of 15 feet and it has been attractively painted. The body wrapping of the buses has been done based on Karnataka's forms and has motifs representing the rich culture, diversity, wildlife and tourist attractions.

35 PLACES IN 2 HOURS

Mayura Hoysala, DC Office, Crawford Hall, Manasagangothri Entrance Gate, Oriental Research Institute (ORI), Ramaswamy Circle, Sanskrit Patashaala, Mysuru City Corporation, Jaganmohan Palace, K.R. Circle, Town Hall, Gandhi Square, Silver Jubilee Clock Tower, K.R. Circle, Palace South Gate, Jayamarthanda Gate, Hardinge Circle, Glass House, Mysuru Zoo, Karanji Lake, Jockey Quarters/Chamundi Hill Circle, Lalitha Mahal, Snow City, Chamundi Vihar Stadium, Five Light Circle, St. Philomena's Church, Fountain Circle, LIC Circle/Bannimantap, Highway Circle, Bamboo Bazaar Road, Government Ayurveda College Circle, Railway Station Circle and back to Mayura Hoysala.

Appointed as KPSC Member

H.G. Pavithra

Bengaluru, July 29- H.G. Pavithra, currently serving as the Joint Commissioner of Commercial Taxes (Economic Intelligence Unit), Commercial Taxes Department, Bengaluru, is appointed as a Member of Karnataka Public Service Commission (KPSC). An order in this regard was passed by Governor Thaawarchand Gehlot yesterday, according to a notification from Dr. K. Anandh, Deputy Secretary to the Government, Department of Personnel and Administrative Reforms (Services).

Pavithra is the son-in-law of Dr. D. Thimmaiah, former District Health and Family Welfare Officer (DH&WFO), Mysuru and a native of Siddapura in Kodagu.

Top Cop forms teams

(Continued from page 1)

City Police Commissioner said the main task of the teams was to keep an eye on criminals after their release from jail, surveillance on ex-dacoits and anti-social elements, collection of information on crimes happened in other districts to check the involvement of locals and to share information with neigbouring districts on incidents of crime.

While CCB sleuths do their job independently, this team will investigate crimes separately on its own. Basically, the purpose of forming teams is for prevention and detection of crime, the Top Cop said.

The Police Commissioner said knowledge of computer and cyber crime detection are considered before taking them as members of team, he noted.

In a first, KSOU's CET coaching begins today

A nominal sum of Rs. 1,000 is being charged for the 30-day online course

Mysuru, July 29 (MTY&BCT)- Competing with private colleges and Universities, Mysuru-based Karnataka State Open University (KSOU) has forayed into Common Entrance Test (CET) coaching to make its presence felt in the undergraduate (UG) technical education scene. The 30-day online CET course began today (July 29).

This is for the first time that the KSOU has taken this initiative. The KSOU's Competitive Examinations' Coaching Centre has tied up with Gnanasharada Sri Vidyatheertha Institute of Culture to provide the courses and the former would provide faculty and resource persons for the online course.

Notably, a nominal sum of Rs. 1,000 is being charged for the course. The coaching is free for Government PU College students who can enrol by getting a letter from the Principals of the respective colleges.

Mysuru SP R. Chethan, who inaugurated the online CET coaching course at KSOU in city yesterday, is seen with KSOU Dean (Study Centre) Dr. Shanmuka, Finance Officer Dr. A. Khadar Pasha, VC Prof. S. Vidyashankar, Registrar Prof. R. Rajanna and Competitive Exams Coaching Centre Coordinator Jainahalli Satyanarayana Gowda.

Mysuru Superintendent of Police (SP) R. Chethan inaugurated the coaching programme at the KSOU yesterday. He exhorted the students who want to enter professional streams to make use of the KSOU's initiative.

The SP noted that now online education has reduced the burden of students travelling to distant places for learning so they can study at the comforts of home. He advised students to make best use of the course and shine in the ensuing exam for admission to professional courses.

Recalling the days he was pursuing coaching classes for CET, the SP said, "I hail from Tiptur taluk in Tumakuru but was staying in my sister's house at Arsikere in Hassan and I used to reach Tumakuru for CET coaching. So I used to wake up daily at 3.30 am and catch the train by 4.30 am to reach Tumakuru as the classes started at 7 am. Amid these difficulties, I never lost confidence and performed well," he said. There has been a huge change in the education scenario and students are getting everything sitting at their home with technological advancements, the SP observed.

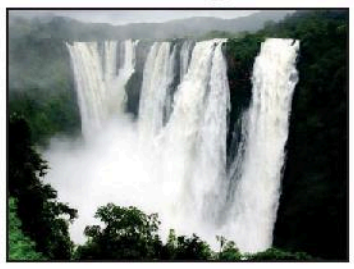
"There are no short-cuts to success. Students must work hard to become successful. The facilities for the present generation students are plentiful and online education has come as a boon. Students must set a goal for themselves and strive hard to achieve them," he opined.

Competitive Exams Coaching Centre's Coordinator Jainahalli Sathyanarayana Gowda said that the CET coaching was planned for the first time since this year's admission to professional courses was based on the marks obtained by the students in the CET. "CET is crucial now since marks in Second PU will not be considered for admissions. This course will help the students from rural areas and those from economically weaker sections," he said.

KSOU VC Prof. S. Vidyashankar said that online education is getting strengthened in the changed circumstances. "Online education, particularly in COVID times, has undergone many changes. With this, online mode of education is being strengthened. The University Grants Commission (UGC) also has developed new applications for learning," he opined.

Sringeri Mutt's Mysuru Branch Dharmadhikari H. Ramachandra and Gnanasharada Sri Vidyatheertha Institute of Culture Secretary S.K. Bhaskar joined the event online.

KSRTC package tour to Jog Falls



Mysuru, July 29- The Karnataka State Road Transport Corporation (KSRTC) has introduced a package tour to Jog Falls for the benefit of the public from Mysuru region.

To be operated by the KSRTC's Mysuru Rural Division, there will be services from Mysuru to Jog Falls every Friday and Saturday. A release said non-AC sleeper buses will be plied on the route and will cover Ikkeri, Kaladi, Varadahalli and Varadamoola.

The fare has been pegged at Rs. 1,800 while it will be Rs.1,600 for children below 12 years. For bookings, visit the online portal of KSRTC or the booking counter at the Suburban Bus Stand.

Obituary

Chikkaramu

Hunsur, July 29- Chikkaramu (82), retired Deputy General Manager (DGM) of KDCC Bank and a resident of Kirijaji Road, passed away this morning following brief illness.

He leaves behind two sons, one daughter and a host of relatives and friends. Last rites were performed at Hunsur Burial Grounds this afternoon.

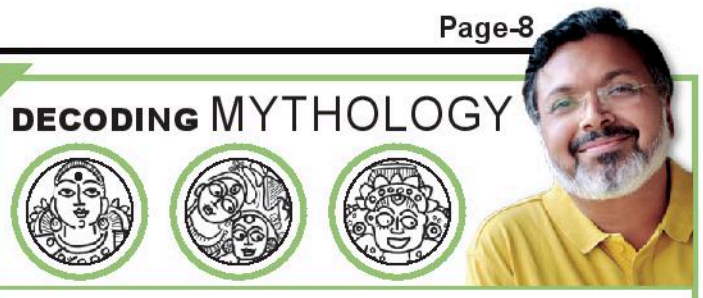
DECODING MYTHOLOGY



Dr. Devdutt Pattanaik - Author, Speaker, Illustrator, Mythologist

Metaphor of the three Goddesses

Hindu mythology uses metaphor of human relationships to explain concepts. This can be confusing as metaphors are rarely consistent. This confounds those who see mythology as history and insist on reading stories literally. The case of the three Goddesses — Lakshmi, Saraswati and Durga — who embody wealth, knowledge and power, makes this conundrum obvious.

In common understanding, these three Goddesses are wed to the three Gods — Brahma, Vishnu and Shiva. The Goddess of knowledge, Saraswati, is the wife of the creator God, Brahma. The Goddess of wealth, Lakshmi, is linked to the preserver God Vishnu. The Goddess of power, Shakti or Durga, is linked to the destroyer God, Shiva. There are tales where the three Goddesses quarrel with the three Gods and get them to do their bidding. There are tales where the creator, sustainer and destroyer are reminded that they can do nothing without wealth, power and knowledge. But, things are not so simple.

If one looks at the 1,000-year-old Pala sculptures from Bengal, we find that Vishnu is often shown as having two wives. One wife holds a pot or a fan, indicating she is Lakshmi associated with comforts and the other holds a lute or veena, indicating she is Saraswati, associated with arts. In temple lore, Lakshmi refuses to live with Saraswati and so goes down to earth, where no one respects Saraswati. This forces Vishnu to take his *avatars* that will bring Saraswati to earth and Lakshmi back to *Vaikuntha*.

Also in temple lore, Durga becomes the sister of Vishnu. He gives her away in marriage to Shiva. Lakshmi is called the *bhoga-patni* of Vishnu; Saraswati is called the *moksha-patni* of Vishnu. This idea of Lakshmi and Saraswati as wives of Vishnu is now being replaced by transforming the two wives of Vishnu into two forms of Lakshmi, *Bhu-devi* and *Sri-devi*.

In Shiva's lore, the role of Goddesses changes dramatically. Durga is the wife of Shiva. Their son, Ganesha, is married to Riddhi, Goddess of plenty, which is Lakshmi. He is also married to Siddhi, the Goddess of intellectual achievements or Saraswati. In Durga traditions of Bengal, Durga's two daughters are Lakshmi and Saraswati. In this case, Ganesha becomes the sibling of Lakshmi and Saraswati and not the spouse.

In folk traditions, we hear of the great Goddess who divides herself into three parts so that the three Gods Brahma, Vishnu and Shiva can get wives. This idea brings symmetry into myth. Complex rationality is used to explain why the creator is bound to knowledge, the preserver is bound to wealth and the destroyer is bound to power. But it is tough to convince all that knowledge (Saraswati) is needed by creators (Brahma) and wealth (Lakshmi) by sustainers (Vishnu) and power (Durga) by destroyers (Shiva).

Which of these three stories are right? It all depends on what we wish to believe. The point of the stories of the Puranic narratives is to divide the world into two parts, who we are and what we have. The Goddesses are what we have, while the Gods are who we can become. We can be Brahma, Vishnu or Shiva. We either seek or shun wealth, power and knowledge. The Gods are what we do (creating, sustaining, destroying); the Goddesses are what we seek (wealth, power, knowledge). This concept forms the foundation of Puranic thought.

Ramdas promises houses for shelterless Yadava community

Mysuru, July 29 (RKB&SSV)- Krishnaraja MLA S.A. Ramdas has said that a list Yadava community people who live in rented house in his constituency will be prepared and then allot them houses. He was speaking at a function organised to inaugurate the Gollara Mahila Swasahaya Sangha held under the aegis of Sri Krishna Yadava Gollara Balaga at Hoysala Karnataka Bhavan in city on Sunday.

The MLA said that the people of this community rear cows and take care of them as if they are serving God. Those living in rented houses can give application along with the Aadhaar details so that they could be allotted houses as per rules. He also promised to give Rs. 1 lakh as his individual contribution towards Gollara Mahila Swasahaya Sangha.

Hiriyur MLA K. Poornima Srinivas, who is also the Chairperson of Women and Child Welfare Committee, said, of late, women have shown that they were not restricted to kitchen. They had lots of work during Corona. Everyone has retirement but it is not applicable for women as she will be active always. The Lord has bestowed on them with such special strength.

Corporators, Geethashree Yoganand, Sowmya Umesh, former Deputy Mayor Pushpavalli, Sangha President M.N. Chandrika Balachandra, Secretary C.P. Surpiya, Vice-President Savita Raj, Divyashree, Jnaneshwari, Narayanaswamy and Yoganand were present at the programme.

MLA performs 'Bhoomi Puja' for road and UGD works in Ward No. 23

Chamaraja MLA L. Nagendra performed the 'bhoomi puja' for road development and UGD works worth Rs. 54.50 lakh being taken up by Mysuru City Corporation (MCC) under the funds available from 14th and 15th Finance Commission, in Ward No. 23 in city recently. The works are taken up in Madivalar Street, Gollageri, Oil Mill Road and Lakshmi Hayagriva College Cross, all in Ward No 23. Area Corporator Pramila Bharath, Chamaraja Assembly Segment BJP President Somashekar Raju, Chamaraja Assembly Segment Yuva Morcha President R. Sachin, Ward in-Charge Rajendra, Corporator Chikkavenkatu and others were present.

Install CCTV cameras in all Police Stations: MHA instructs States, UTs

New Delhi, July 29 (Agencies)- The Ministry of Home Affairs (MHA) on Tuesday informed the Lok Sabha that it has issued a guideline to all States and Union Territories (UTs) for installation of CCTV cameras in all Police Stations.

Minister of State for Home Affairs Nityanand Rai shared the inputs in Lok Sabha in a written reply, mentioning that the Supreme Court, in its order dated December 2 last year, gave detailed direction to States and the UTs and Union of India for installation of CCTV cameras in all Police Stations and offices of Central Investigation agencies.

The Minister said that the Apex Court in its last hearing held on April 6 this year, had directed for the allocation of Budget to the Central agencies within one month from the date of order and for implementation of complete order within a period of six months from the date of allocation of Budgets.

Rai further said that the Central Investigation Agencies requested on April 13 this year for the allocation of Budget and installation of CCTV cameras in their offices within the time-frame given by the Apex Court. However, he mentioned that States and the UTs have already been impleaded in the case for filing status report on the installation of CCTV cameras in Police Stations, directly before the Supreme Court.

As Police is a State subject, the information regarding the number of Police Stations having CCTVs is not maintained at the level of Central Government, clarified the Minister.

'Create awareness among youths on environment'

Mysore University VC releases books 'Environmental Studies' and 'Life Skills'

FROM LEFT: ***Dr. S. Mamata Sathyanarayana, Head, Department of Environmental Studies, DePaul Degree College, Vipul Kumar, Director, KPA, Prof. G. Hemantha Kumar, VC, UoM and Dr. B.S. Ravikumar, Head, Department of Botany and Environmental Studies, AVK College, Hassan, seen during the release of the books 'Environmental Studies' and 'Life Skills' at Crawford Hall in city recently.***

Mysuru, July 29 (MTY&SSV)- Environment pollution is responsible for whatever ups and downs which are going on in society and this can be addressed by creating awareness in younger generation, opined Prof. G. Hemantha Kumar, Vice-Chancellor (VC), University of Mysore (UoM).

He was speaking after releasing the book 'Environmental Studies' written by Dr. S. Mamata Sathyanarayana, Head, Department of Environmental Studies, DePaul Degree College, Dr. S. Ravi Kiran, Head, Department of Biochemistry, Aurora's Degree College, Nellore, Hyderabad, Telangana, Dr. B.S. Ravikumar, Head, Department of Botany and Environmental Studies, AVK College, Hassan and first and second volumes of 'Life Skill' written by Dr. S. Ravi Kiran and Dr. B.S. Ravikumar at Crawford Hall here recently.

The VC said that the study of environment has gained importance of late after the Supreme Court passed several orders to check environment pollution and consequent to several Legislations passed by the Government of India.

The book 'Environmental Studies' has been written keeping the University Grants Commission (UGC) syllabus in mind and this must reach all students. This will be a biggest gift that they can be given to the environment. The book has gained more importance since it has been written out of experience and after studying the environment. If ten persons read this book it is like ten persons joining in protection of environment, he added.

Skill training centre

Prof. Hemantha Kumar said that preparations are going on for the establishment of Skill Training Centre in the Varsity and this will help over 1,500 students to undergo training and get job.

The book 'Life Skill' explains how to write bio-data, face interview and group discussion. This information was very useful for students. Of late the Government and the system has become a number game and more impetus was given on producing more number of graduates.

Hitherto, the Gross Enrollment Ration was around 13 percent and it rose to 21 percent in the last six years. It is expected to reach 50 percent by 2035. In the wake of this, not much importance was given towards the quality of education.

The quality of learning was very important for passed out degree students. Giving degree was not important but they must be taught on ways to lead life.

Karnataka Police Academy (KPA) Director Vipul Kumar said that the books have been written after much research and thinking.

Currently, students are given only education. The students may have diploma or degree certificates in their hands but they don't know how to face the challenges. On one hand the values are declining and technology was developing on the other hand. Balancing the duo was need of the hour. The books play an important role in this situation, he added.

Earlier, practical workshop was held for the growth of students of high school and PU. Students in the age group of 15 to 18 years will get a clear picture in the selection in professional courses. Two books that were released, must reach all schools and colleges. Unfortunately, students only read textbooks but not other books. Enrichment of knowledge was possible through reading of books on environmental education and skills.

Dr. S. Mamata Satyanarayana and Dr. B.S.Ravikumar were present.

WORD OF THE DAY

Emprise

Pronunciation: em-PRYZE.
Meaning: An adventurous, daring, or chivalric enterprise.
Origin: Someone who engages in emprises undertakes much, and the word became established in English with the chivalrous undertakings of brave knights. Fourteenth-century author Geoffrey Chaucer used emprise to describe one such knight in "The Franklin's Tale" (one of the stories in The Canterbury Tales): "There was a knight that loved and went through pains / To serve a lady in his best way; / And many a labor, many a great emprise, / He wrought for his lady before she was won.".
Example: "But perhaps he was the only one courageous enough to voice an opinion that others might have shared, but were afraid to say, that this whole quixotic emprise had been a bad idea, that they had been fools to attempt an escape." — John D. Lukacs, Escape From Davao, 2010.

THE ODD WORD

Eclaircise

To clear up.

PHRASE OF THE DAY

Going overboard

Meaning: To do too much, go over the top in excess.
Origin: Not surprisingly, the origin of the idiom "go overboard" is nautical. When one falls overboard from a boat into the water, it's quite a problem; in the same way, going out of bounds in other areas of life is problematic. Interestingly, the "board" in overboard is actually a term for the physical railings found on a boat; if you went overboard, you went over the railings and into the water.
Example: Matt went overboard when he spent so much money on my birthday present.

QUOTE BOX

Someday is not a day of the week.—**Denise Brennan-Nelson**

TOKYO OLYMPICS 2020 (July 23 - August 8, 2021)

Men's Hockey team, shuttler P.V. Sindhu, boxer Satish Kumar enter quarterfinals

Tokyo, July 29- The Indian men's hockey team cruised into the Olympic Games quarterfinal with a comprehensive 3-1 victory over defending champions Argentina in its penultimate pool match today.

After goalless first two quarters, India broke the deadlock in the 43rd minute through Varun Kumar before Vivek Sagar Prasad (58th) and Harmanpreet Singh (59th) struck in the closing minutes of the match to seal the contest. Argentina's lone goal came from a penalty corner conversion by Schuth Casella in the 48th minute.

By virtue of this win, India have consolidated their position in the second spot of Pool A with three wins and one loss out of four games, behind Australia.

Argentina are struggling at the fifth spot in the six-team pool and need to beat New Zealand in their final preliminary match on Friday to stay in the hunt for a quarterfinal berth.

The top-four make the last-eight stage from each group. India will play hosts Japan in their final pool match on Friday.

BADMINTON

Reigning World Champion P.V. Sindhu sailed into the Women's Singles quarterfinals after beating Denmark's Mia Blichfeldt in straight games at the Tokyo Olympics Badminton competition this morning.

The 26-year-old Indian, who won a silver in the 2016 Rio Olympics, notched up a 21-15 21-13 win over 13th seed Blichfeldt in a 41-minute match.

Sindhu will next face Akane Yamaguchi of Japan tomorrow at 12 noon (IST).

Now, Sindhu is the lone Indian badminton hope left in fray.

BOXING

Indian boxer Satish Kumar (+91kg) eased into the quarterfinals of his debut Olympic Games, defeating Jamaica's Ricardo Brown in his opening bout here today. In the battle of two debutants, Satish prevailed 4-1, a comfortable win for him despite the split verdict.

The 32-year-old 2-time Asian Championships bronze-winner Indian was helped by Brown's poor footwork throughout the bout though he did end up sustaining a cut on his forehead.

Next up for Satish is Uzebkistan's Bakhodir Jalolov, reigning World and Asian Champion. The match is scheduled for Aug. 1 at 9.36 am (IST).

Tokyo Olympics 2020 - Medal Count

Archer Atanu Das enters pre-quarters after defeating 2012 Champion

Tokyo, July 29- Indian archer Atanu Das shocked South Korea's Oh Jin Hyek in a nail-biting finish to make it to the 1/8 Elimination round in the men's individual Archery event at the Yumenoshima Ranking Field today.

The third-seed Korean started the match with a decent 8-9-9 and Das replied with 8-8-9, giving Jin Hyek two points in the first set. Das came strongly in the second set with three 9s, Oh missed the chance to take the two points after hitting an 8 in the last arrow.

The third set also had the same output with both archers sharing the points. Jin Hyek 8-10-9 and Indian aimed 9-9-9. With his back against the wall, Atanu responded brilliantly and took the fourth set 8-9-10 and the Korean replied with 9-7-6 to force a decider.

The fifth set tested the nerves of both archers as they both again shared the points and progressed into shoot-off.

Aiming first in the shoot-off, Jinhyek shot a 9 to which Atanu replied with a brilliant 10 and sealed the match. With this win, he has cruised into the 1/8 Eliminations round.

Earlier in the day, Atanu defeated Chinese Taipei's Yu-Cheng Dang in the ongoing Tokyo 2020 Olympics 6-4 in the 1/32 Elimination round.

Next, Atanu Das will be in action with T. Furukawa of Japan tomorrow at 7.18 am (IST).
